

# Certificate of Special Congressional Recognition

presented to

*Jax Bari*

---

*In acknowledgement of your hard work and dedication toward raising awareness for Celiac Disease and advocating for appropriate food labeling to ensure the safety and well-being of all consumers. Your dedication sets an example of the positive influence one person can have to affect change in the world. I am honored to recognize your efforts and fortunate to have you benefitting my legislative district.*

*May you continue to strive for and attain excellence and success in all your future endeavors.*

*Madeleine Dean*
